**Universidade Federal de Juiz de Fora
Faculdade de Educação Física e Desportos**

The Coordination of the Postgraduate Program in Physical Education, offered in full association by the Department of Physical Education of UFV and the Faculty of Physical Education and Sports of UFJF, announces that applications will be open for the selection of candidates for the Doctorate Course, on a continuous basis, during the period of **July 11 to November 30, 2024**.

The Postgraduate Program in Physical Education is structured in the Area of Concentration entitled **"Exercise and Sport"**, with the following lines of research:

a) Physical activity and health.

Study of the effects of physical activity and sedentary lifestyle in different population groups.

b) Studies of sport and its manifestations.

Study of physiological, sociocultural, historical and psychological aspects and how these affect or are affected by sport.

SELECTION PROCESS - DOCTORATE

1. Target audience

Holder of a Master's Degree (see item 7 of this Notice), issued by a course recognized by the Ministry of Education or a foreign degree duly revalidated.

2. Supervising professor, their respective workplace and the number of vacancies offered:

Teacher Advisor	Workplace	Vacancies offered
Prof. Dr. Amanda Piaia Silvatti	UFV	1
Prof ^{the} Dr. Eveline Torres Pereira	UFV	1
Prof ^{the} Dr. Fernanda Karina dos Santos	UFV	2

3. Registration

The selection for the Doctorate in Physical Education will be made through a continuous student intake system, with predetermined registration and selection periods, and in accordance with the availability of vacancies by the supervisors.

Three selection processes will be planned during the year 2024, and the candidate may participate in only one of them during the year. He/she may only participate in another process in the same year if his/her application is rejected (i.e., if he/she does not participate in the selection process). The topics related to the research lines of the intended advisors and the number of vacancies offered will be announced from the first day of registration of each period.

Twenty percent (20%) of the total number of vacancies will be reserved for the affirmative action modality. Vacancies not filled in the affirmative action modality will be reallocated in the open competition modality.

Registration for the selection process will be carried out exclusively online on the UFV Selection Process Management System (GPS) website, at the link: <https://gps.ufv.br/gps-web/editais/994/> through

payment of the registration fee of R\$ 116.00. The fee must be paid using the payment slip that will be automatically generated at the time of registration, and must be paid within 1 (one) day after the end of registration. Confirmation of payment will be automatically displayed in the system within 2 business days, but it is advisable to keep the receipt, if requested.

When registering, the candidate must choose one of the modalities, as described below:

1. Wide competition
2. Places reserved for affirmative action
 - 2.1 Black (black and brown) or indigenous candidates;
 - 2.2 People with disabilities.

To compete for the reserved vacancies in Modality 2.1, the candidate must complete and sign an ethnic-racial self-declaration, the model for which is available in the online registration form, and, if selected, present themselves to the Committee for Validation of Self-Declaration of Black, Mixed-race or Indigenous Candidates, for hetero-identification, in the case of self-declared black and mixed-race candidates, and for verification of supporting documentation, in the case of indigenous candidates, as provided for in Resolutions No. 10, of 2018 and No. 8, of 2019. According to Law 12.711/2012, only candidates of Brazilian nationality are entitled to entry under the racial quota policy.

To compete for the reserved vacancies in Modality 2.2, the candidate must fit into the categories specified in Art. 4º of Decree No. 3.298, of 1999 and present a medical report, attesting to the type and degree of the disability, with express reference to the corresponding code of the International Classification of Diseases (ICD) and the exams proving his/her disability, as provided for in Resolutions No. 10, of 2018 and No. 8, of 2019. If selected, the supporting documentation will be presented to a Disability Assessment Committee, under the terms of Art. 4º of Decree No. 3.298, of 1999, issuing an opinion on the eligibility or ineligibility of the candidate for the reserved vacancy. People with disabilities must inform the Postgraduate Program, at the time of registration, so that accessibility conditions and other conditions that enable their participation with equality in the selection process can be provided.

The order of presentation to the Committees will be, as applicable: (i) Self-Declaration Validation Committee and (ii) Disability Assessment Committee, only if the candidate is not selected within the vacancies of broad competition.

The candidate's registration will imply knowledge and tacit acceptance of the rules and conditions contained in this notice and in the general notice of PPG/UFV (accessed at the link: <https://ppg.ufv.br/wpcontent/uploads/2024/09/Edital-Geral-da-Pos-Graduacao-2025-1.pdf>), in relation to which he/she cannot claim ignorance.

Registration periods*:

1st Selection Schedule: March 15-30, 2024.
2nd Selection Schedule: July 11 to August 11, 2024. 3rd
Selection Schedule: November 6 to 26, 2024.

*** Each candidate may only participate in one of the selection schedules.**

Registration fee waiver:

UFV will use the terms of article 1 of Decree No. 6,593, of 2/10/2008 to exempt the registration fee in this Selection Process, with the candidate being considered exempt if:

i) Be registered in the Single Registry for Social Programs of the Federal Government (Cad-Único), of which deals with Decree No. 11,016, of 03/29/2022.

ii) For being demonstrably a member of a low-income family, in accordance with Decree No. 11,016/2022 (monthly per capita family income of up to half the minimum wage).

iii) For a bone marrow donor registered in the Voluntary Bone Marrow Donor Registry (REDOME), upon presentation of the donor card.

The exemption must be requested at the time of registration directly in the Registration System, and will be evaluated by the Coordinating Committee of the Postgraduate Program in Physical Education.

UFV will consult the Cad-Único management body to verify the veracity of the information provided by the candidate regarding items "i" and "ii". False information will result in the cancellation of the registration due to fraud and the candidate will bear the resulting legal consequences.

The result of the exemption request will be informed to the candidate in the System where the application was made (GPS), in addition to being published on the program website (<https://ppgefi.ufv.br/>). UFV is not responsible for other forms of publication and/or information of the result, which is the sole responsibility of the candidate.

Candidates who meet the requirements set out in items "i", "ii" and "iii", and have their exemption request denied, may appeal the decision to the Postgraduate Program Coordination.

The result of the appeals filed will be published by the secretariat through the Program website (<https://ppgefi.ufv.br/>).

If the request is denied, the candidate will have 24 hours to appeal the decision. The request will be reassessed, and the result will be published by the secretariat on the Program website (<https://ppgefi.ufv.br/>).

If the request is rejected, the candidate will have until the 15th (fifteenth) day of registration for each schedule to pay the aforementioned fee, using a payment slip generated on the selection process registration website.

Registration approval: After analyzing the documentation presented, the Coordinating Committee of the Postgraduate Program in Physical Education will decide on the approval of registration requests, with the result being published on the websites <https://www2.ufjf.br/pgedufisica/> and <https://ppgefi.ufv.br/>, within 5 (five) days after the end of the registration period. Only registration requests that meet the requirements of this Notice will be accepted. Registrations that contain errors in filling out the form or lack of mandatory documentation will not be approved.

At all stages, candidates will be identified by an individual code generated after registration (protocol), and will no longer be identified by name or CPF.

4. Board of Examining Teachers

The examining board for the selection process will be composed of 2 (two) permanent professors from the Postgraduate Program in Physical Education at UFV/UFJF and will be announced on the websites <https://www2.ufjf.br/pgedufisica/> and <https://ppgefi.ufv.br/>, within 2 (two) days after the end of the registration period. If the candidate identifies any connection that undermines the impartiality of the examining board, he/she must file an appeal within 24 hours after its publication. The examining board will evaluate the candidates at all stages of the selection process and will respond to appeals filed by them after the publication of the preliminary result of each stage.

5. Selection

The selection process will consist of the following stages:

5.1 First Stage – Elimination and Qualifying

Evaluation of the Research Project in written form by an examining board composed of 2 (two) professors, with a grade from 0 to 100 points being awarded, with an eliminatory nature for a grade below 70.0 points and classificatory for a grade equal to or above 70.0 points.

The evaluation will be based on the following criteria: 1) Theoretical basis; 2) Objectives and/or hypotheses; relevance/adequacy of bibliographic references, timeline, financial viability; 3) Quality and feasibility of the method; and 4) Adequacy of the project to the research lines of the program and the intended advisor (attach a letter to the project clearly explaining this point). Each evaluation criterion presented will be worth 100.0 points and, for the final grade of this item, the arithmetic mean of the grades obtained in each evaluation criterion for each professor will be calculated. Projects that do not fit the research line of the intended advisor will be disqualified.

Disclosure of the result of the first stage: The result of this stage will be published within 14 (fourteen) days after the approval of the registration on the websites <https://www2.ufjf.br/pgedufisica/> and <https://ppgefi.ufv.br/>.

5.2 Second Stage – Elimination and Qualification

Online argumentation of the Research Project and mastery of topics related to the lines of research of the intended advisors (see item 9 of this notice), with a grade from 0 to 100 points, of an eliminatory nature for a grade below 70.0 points and classificatory for a grade equal to or above 70.0 points. It will be carried out by an examining board composed of 2 (two) professors, via the platform *google meet*. The link to access the online selection discussion room will be sent by email to the candidate by the supervisor chosen during registration, after the results of the 1st stage.

The candidate must be available online half an hour before the scheduled time for his/her argument and have access to a computer equipped with a camera, microphone and internet that guarantees his/her participation in the process without interruptions. The candidate must present an original document with a photo before the beginning of this stage.

If the candidate fails to attend, that is, if the candidate does not access the online meeting room at the time established for the online presentation of his/her Research Project, he/she will be disqualified from the selection process. The presentation will be recorded and its storage is guaranteed.

The candidate will be assessed on the Research Project based on the following criteria: 1) Theoretical basis; 2) Objectives and/or hypotheses; 3) Quality and feasibility of the method; 4) Up-to-date bibliographical references; 5) Schedule; 6) Financial viability; 7) Skills and abilities to carry out the proposed Research Project; 8) Adequacy of the project to the research lines of the program and the desired advisor. Each evaluation criterion presented will be worth 100 points and, for the final grade of this item, the arithmetic mean of the grades obtained in each evaluation criterion will be calculated.

Announcement of the results of the second stage: The results of this stage will be published within 14 (fourteen) days after the registration is approved on the websites <https://www2.ufjf.br/pgedufisica/> and <https://ppgefi.ufv.br/>.

5.3. Third Stage – Qualifying

Evaluation of the Curriculum Vitae, by an examining board composed of 2 (two) professors. The organization of the curriculum should, **mandatory, follow the script described below**, Candidates who fail to do so will be disqualified. The supporting documents must be attached in the same order as the CV.

The structuring and scoring of the Curriculum will follow the following criteria:

Attached at the end: Completed Score Sheet—complete the score sheet in Annex I, at the end of the Notice (failure to submit this sheet completely completed will disqualify the candidate).

6. Final Grade and Classification

The final grade will be calculated by adding together the three stages of the selection process (Stage 1 + Stage 2 + Stage 3) and published on websites www2.ufjf.br/pgedufisica and www.ppgefi.ufv.br, within 30 (thirty) days after the registration is approved. The final classification will be from the highest to the lowest score.

In the event of a tie between two or more candidates, the tiebreaker will be determined by the highest score obtained in the First Stage.

The list of approved candidates will be composed of the first candidates who occupy the positions of the supervisor indicated in the registration form.

The surplus list will consist of candidates who were classified but exceeded the number of vacancies offered by the supervisor indicated on the registration form.

The Postgraduate Program in Physical Education is not obliged to fill all the vacancies offered.

7. Registration for enrollment

The approved candidate must submit/send his/her documentation for registration and subsequent enrollment after the announcement of the final classification, as soon as requested, to the Secretariat of the Postgraduate Program in Physical Education of the Faculty of Physical Education and Sports of UFJF (for the approved candidate under the guidance of a professor linked to the workplace at UFJF) or to the Secretariat of the Postgraduate Program in Physical Education of the Department of Physical Education of UFV (for the approved candidate under the guidance of a professor linked to the workplace at UFV). The approved candidate who does not submit/send the documentation within this period will be considered to have withdrawn and, consequently, the next candidate on the list of surplus candidates by advisor will be called.

The respective Secretariats will send an email guiding the approved candidates on the delivery/sending of the documents required for registration. In case of doubts, the approved candidates should send an email to ppg.faefid@ufjf.edu.br (approved candidates for UFJF advisors) or to ppgefi@ufv.br (approved candidates for UFV advisors).

The candidate on the surplus list, if called, by email and/or telephone and/or through the websites <https://www2.ufjf.br/pgedufisica/> and <https://ppgefi.ufv.br/>, must deliver/send their documents to the Secretariat of the Postgraduate Program in Physical Education of the Faculty of Physical Education and Sports of UFJF (for the candidate approved under the guidance of a professor linked to the workplace at UFJF) or to the Secretariat of the Postgraduate Program in Physical Education of the Department of Physical Education of UFV (for the candidate approved under the guidance of a professor linked to the workplace at UFV).

Candidates will be enrolled after the final results are announced. The courses to be taken must be defined between the candidate and his/her respective advisor. If there are no courses available by the beginning of the following semester, the student must enroll in "Research".

Registration documentation for enrollment of the Brazilian Candidate:

- Legible copy of the Master's Degree or Dissertation Defense Minutes (this must include approval without any restrictions). Failure to submit this document will make enrollment unfeasible, with consequent loss of the place.
- Legible copy of the Graduation Diploma, front and back;
- Copy of Academic Transcript (Undergraduate and Master's);
- Legible copy of Birth Certificate or Marriage Certificate, if married;
- Legible copy of Identity Card (RG);
- Legible copy of CPF;
- Legible copy of the Military Service Document (reservist) for male candidates;
- Voter Registration Card.

Note: Failure to submit any of the documents described above will make registration for enrollment unfeasible, with consequent loss of place in the program.

8. Script for assembling the Research Project

The candidate must submit a Research Project that is in line with the line of research of the intended advisor (see the intended advisor's CV). The Project must follow the following outline, and must be limited to a maximum of 12 (twelve) typed pages on A4 paper, Times New Roman font size 12, with 1.5 spacing:

- Project title.
- CPF of the candidate, without identifying name. Name of the
- advisor to whom the project will be submitted.

Note: The cover does not count towards the number of pages in the established limit.

Briefly describe the problem situation addressed, citing data or information that can define its context. Substantiate your defense and line of action/theme (What?; Why?). Present an updated bibliographic review that objectively justifies the implementation of the proposal.

- State the objectives to be achieved by the project.
- Explain how the determined objectives are intended to be achieved (subjects, procedures and statistical treatment). In addition, the timeline and financial viability must be described.
- List the sources cited in the body of the project.

Note: References do not count towards the established page limit. Consider 30 as the maximum number of references that should be cited in the project. Furthermore, appendices do not count towards the established page limit.

* Attach a brief and objective letter clearly explaining how the submitted project fits the research lines of the program and the intended supervisor. This document must be submitted at the end of the project and does not count towards the established page limit. The letter may not contain the identification of the candidate.

9. Topics related to the research lines of the intended supervisors:

Teacher Advisor	Topic for Argument
Prof. Dr. Amanda Piaia Silvatti	Biomechanical analysis.
Prof ^{the} Dr. Eveline Torres Pereira	Physical activity and neurodevelopmental disorders.
Prof ^{the} . Dr. Fernanda Karina dos Santos	Physical activity and health promotion: barriers, facilitators and strategies.

GENERAL OBSERVATIONS

1. Results

All the results will be disclosed put quite of the addresses electronics <https://www2.ufjf.br/pgedufisica/> and <https://ppgefi.ufv.br/>, websites of the Postgraduate Program in Physical Education at UFJF and UFV. No results related to the stages of this Notice may be used in future Notices. They are exclusively for admission in 2024 and in the Notice (and stage) to which the candidate applied.

2. Resources

The candidate will have the right to appeal to the Postgraduate Program in Physical Education (UFV/UFJF) within 24 hours after the publication of the results of each stage. The form for submitting the appeal will be available at the electronic addresses <https://www2.ufjf.br/pgedufisica/>, <https://ppgefi.ufv.br/> and in the registration system attachments.

Requests for appeals must be made in writing, dated and signed by the candidate and sent to ppg.faefid@ufjf.edu.br (for candidates applying for positions with UFJF advisors) and ppgefi@ufv.br (for candidates applying for positions with UFV advisors).

The granting or denial of the appeal filed by the candidate will be announced on the websites www2.ufjf.br/pgedufisica and www.ppgefi.ufv.br, websites of the Postgraduate Program in Physical Education at UFJF and UFV, and the response will be sent by email to the candidate.

3. Report

The Doctorate course is offered in full partnership between the Federal University of Viçosa and the Federal University of Juiz de Fora. Therefore, the course activities are developed at both Universities, so students must be available to travel between the two institutions, according to the schedule of activities established by the coordinator and/or advisor. The doctorate course lasts between 36 and 48 months, except in exceptional cases provided for by law.

After being admitted, the doctoral student has up to 24 months to take the foreign language proficiency exam, in accordance with the regulations of the respective university where the student will be enrolled (UFV or UFJF).

All information about the 2024 selection process will be available at the electronic addresses www2.ufjf.br/pgedufisica and www.ppgefi.ufv.br. Any questions can be sent to the emails ppgefi@ufv.br and ppg.faefid@ufjf.edu.br.

Cases not covered by this notice will be analyzed and deliberated by the Coordinating Committee of the Postgraduate Program in Physical Education.
